PRE-COURSE ASSIGNMENT – TWENTY QUESTIONS

An important focus of the Wood Badge course will be a consideration of our roles as leaders in Scouting, in the workplace, and in our communities. Among the most valuable discussions that will occur will be an ongoing consideration of setting leadership goals and then determining the manner in which those goals can be reached.

The Twenty Questions assignment is intended to help you lay the groundwork for the course by developing a clearer understanding of your personal interests, values, and sense of the future. At Wood Badge, you will have the opportunity to channel that information into the development of specific goals and effective means of action.

- ✿ This assignment is for you to do on your own.
- ✿ You must bring this completed form with you to the course to help you write your ticket.

Use this opportunity to take a good look at where you are now in terms of interests, leadership skills, and opportunities, and where you would like to be. Be as honest as you can. Enjoy the experience.

What to do:

- ✿ Set aside time to think seriously about the following questions.
- ✿ Answer the questions as fully and honestly as you can.
- ✿ Write down your answers and bring them to the Wood Badge course. You will find them to be a helpful reference – only you will see the answers.
- ✿ Don't worry about what the "right" answers or about satisfying someone else's idea of how you should respond.

The questions:
